Auditor's Report

1971

To the Board of Selectmen of the Town of Moultonboro, New Hampshire:

In accordance with your request, we have performed an examination and audit of the financial affairs of the Town of Moultonboro (exclusive of the Moultonboro School District) for the calendar year 1971. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such audit procedures as we consider necessary under the circumstances. Circumstances did not permit us to perform an examination of the records of the Town Library at this time.

In our opinion the statement of current working assets and liabilities as reflected in the annual report of the Town of Moultonboro, as at December 31, 1971 (exclusive of the Moultonboro School District and the Town Library) and the Statement of receipts and disbursements of the Town of Moultonboro, (exclusive of the Moultonboro School District and the Town Library), and the results of budget operations for the year 1971, present fairly the financial position as at December 31, 1971, and the results of budgetary operations for the year then ended in conformity with generally accepted accounting principals, applicable to governmental operations in New Hampshire, applied on a basis consistent with that of the prior year.

Librarian's Report

As again I write the report for the Moultonboro Town Report, I find the year 1971 has been rewarding and pleasant.

The School Library Branch is in its 13th year with Marguerite Gruner, Betty Rathman and Isabelle Behr donating many hours and circulating 7,779 books in 1971.

The Memorial Book list is a growing factor, and through it many beautiful books, which otherwise would be prohibitive because of cost, have been added to the permanent collection. The Moultonboro Woman's Club has given books in memory of Elizabeth Maher and Phyllis Page; the Historical Society for Nellie Wiggin, Phyllis Page, Florence Hastings, Ethel Hughes, Raymond Plummer and Seneca Jones; the W.S.C.S. for Nina Moulton and Nellie Wiggin; friends and neighbors for Nellie Wiggin, Hattie Dow, Mrs. Howard Callendar and Wilbur Dearborn; in memory of Phyllis Page by Jessie Thompson, Mr. and Mrs. Grant Powers, Evelyn Brown and Adele Taylor; for Raymond Plummer by Mr. and Mrs. Charles Dockham, Gustave Behr by Mrs. Gustave Behr, Evelyn Brown, Adele Taylor and Mr. and Mrs. Adams Anderson; Seneca Jones by Martha Oliver; Lee Porter by John Oliver and Mr. and Mrs. William Dunn; Wilbur Dearborn by Mr. and Mrs. Harold Munroe and Richard T. Jackson. These have been received and acknowledged with appreciation.

Mrs. Harold Martin has made a bookplate which has been placed in the books purchased from her son's, the Steven W. Martin Fund. It is quite appropriate for these books, as the plate depicts his varied interests.

This year 747 books were added — 203 of these being gifts from many who are interested in the library of our town.

These books are gratefully acknowledged and have added substantially to the number of books available for loan.

This year the circulation of recordings has increased surprisingly, and for the first time the library has purchased records with its own funds and they now number about 375.

In keeping pace with modern times, the library hopes and would like to be able to have a 16mm film projector for the purpose of showing films. The State Library has a large number of films on many varied subjects which

can be loaned to libraries. If we do obtain this, many fine programs will be available to local clubs and organizations.

The library statistics are:

Moultonboro Visiting Nurse Service

Report of Board of Directors

Annual Report 1971

An interested group of citizens investigated the feasibility of establishing a Visiting Nurse Service for Moultonboro. At Town Meeting, March, 1971, the people voted to establish the Moultonboro Visiting Nurse Service. The Selectmen appointed a Board of Directors for a period of one year, as follows:

Mrs. Doris Citron, Chairman
Mrs. Ethel Pace, Secretary
Miss Nan Hanks, Treasurer
Dr. Aleksander Ratsep, Medical Advisor
Mrs. Dorothy Davis
Mrs. Beverly Person
Mr. Charles Severance
Mrs. Rae Marie Davis
Miss Dencie Ward
Mrs. Olive Prince
Mr. Frank McIntire, Selectman
Mr. Lee Huston, Selectman
Mr. Harold Martin, Selectman

This group of 13 was divided to form the Medical Advisory Committee, which included Mrs. Velma Hodgkins as an interested community member, met once a month with the nurse to supervise and support her activities; the Public Relations Committee; the Finance Committee; and the Nominating Committee.

All policies were written and approved by the Board by June 16,1971. The Policies included By-laws of the Moultonboro Visiting Nurse Service; personnel policies for the nurse, replacement nurse, and clerk; role and functions of each person; philosophy, purpose and objectives of the service; and medical and nursing services offered. Mrs. Betty Ann Noyes, Surveyor-Consultant of the State Department of Health in Concord and Miss Dencie Ward, State Health Nurse, provided much information and encouragement.

We were most fortunate in securing well qualified people for the jobs offered and the Service went into operation June 15,1971.

Mrs. Marguerite King, R.N. of Sandwich, is our Visiting Nurse

Mrs. Annalise Schroeder, R.N. of Moultonboro, is our Replacement Visiting Nurse

Mrs. Rosa Edwards of Moultonboro is our Clerk and works six (6) hours per week.

The Visiting Nurse office is located in the Town Office Building. The nurse is available Monday through Friday from 8:00 a.m. - 12 noon. The phone number is 476-2350.

During our first six month period, 162 visits were made and 51 different individuals were seen.

The fee for a visit is $6.00, which is prorated to meet the needs of all our townspeople. Besides her regular home care visits, Mrs. King has visited all newborns and their mothers, to answer questions and give assistance. She has met with interested high school student groups to discuss the Visiting Nurse Service and Nursing. Both nurses have attended workshops, clinics and conferences to keep up with current changes in nursing, many on their own time, and both have provided emergency coverage. Plans for the coming year include a series of regular immunization clinics to be held for infant and preschool age children in the town.

Individuals and groups have been interested in the activities of the Moultonboro Visiting Nurse Service and have been most generous in donations of equipment, money, furniture and books. The Visiting Nurse Service is grateful for the support and interest shown thus far. We invite the people to stop in any weekday morning from 8:00 - 8:30 a.m. and meet the staff and get acquainted with the service.

Respectfully submitted,

(Mrs.) Doris Citron, Chairman

Planning Board Report

Since our last report your Planning Board has been hard at work drawing up a set of proposed subdivision regulations that would satisfy our residents. This proved more complicated than even we had anticipated. We felt it was necessary to come up with a set of regulations that would apply to both the large developer and the small but would not cause a hardship on anyone. After consulting with David Scott, the Lakes Region Planning Commission Director, and a State highway engineer the final draft was printed. On November 30, 1971 a small meeting was held with most of the developers from Moultonboro for the purpose of hearing their reactions and receiving their suggestions to the proposed regulations. Changes suggested at this meeting were reviewed by the Board and several of them accepted. A public hearing on these proposed regulations has been set for February 26, 1972 at which time the residents of Moultonboro will have the opportunity to voice their opinions.

The Board realizes it is impossible to satisfy everyone in Moultonboro, but it is their aim to try to please as many as possible. They feel it is imperative that Moultonboro get some regulations on the books, not to hinder the developer but to protect the Town and our taxpayers. With subdivision regulations adopted the end result is better developments and fewer headaches for the Town.

At this time we want to thank David Scott, Director of the Lakes Region Planning Commission, for his help in drawing up the above mentioned regulations and his office staff for printing of same. They were a great help and the Board can't begin to thank them for the assistance rendered.

Ruth Hanks, Secretary

Report of the Forest Fire Warden and District Chief

Lest We Forget - It Can Happen Here

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar-holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand — a lighted match or a glowing cigarette.

2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.

3. If you camp or picnic, be sure open fires are allowed and if they are, put them dead out when leaving.

4. Most important — instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year - 1971 - was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned — 1971 season:

STATE	463 fires — 160 acres
DISTRICT	42 fires — 16 acres
TOWN	None
